

organic bites

vibrant orange dahlias

nature-inspired cake

In Rancho Santa Fe, the professionals from **UNFORGETTABLE EVENT** pulled together the details of our party, which featured delectable organic cuisine and eco-friendly décor at a spectacular inn nestled in the foothills.

JOANA FALB

LAURA HARRISON

Unforgettable Event

"Planning The Knot's "Go Green" event was a fabulous opportunity to turn to our incredible network of vendors and to expand our resources, encouraging and educating those in attendance to consider bringing eco-chic elements to their clients and events! The level of enthusiasm, support and creativity we received was overwhelming."
